Report to accompany the work slip No 1 dated 15th September 1947 for Rs 8,400/- for cement concreting Silver Jubilee Park Road, 5th Division, Bangalore City

The estimate for Rs 48,000/- got up in this office and sanctioned by the Municipal Council has been verified, scrutinised and reduced to Rs 36,500/- in G O No L 15984-6/ M1 39-46-97 dated 16th May 1947

Against a provision of Rs 2,000 for the sub grade, as per details worked out, with a thickness of 3" carpet, a lumsum provision of Rs 1,500/- per furlong has been made in the Chief Engineer's office

During the recent joint inspection by the Chief Engineer for Roads and Buildings, it was decided to provide a 6" sub-grade after picking the existing road and providing 3" extra metal and the work has accordingly been done

This results in an outlay of Rs 5,850/- towards the cost of metal and Rs 2,550/- for the consolidation, totalling to Rs 8,400/- for the entire length as against the lumpsum provision of Rs 6,000/- in the Chief Engineer's office

Under the circumstances the enclosed workslip No 1 may kindly be sanctioned early
